

**Busy Bees (Years 3 and 4) Class**  
**Autumn Learning Opportunities**  
**"We are Scientists: You are what you eat"**

Here are a variety of different activities which you may wish to do with your child out of school; **please keep this book at home to enjoy as a family.**

This page is designed to help families to *Enjoy Learning Together at Home*. However, if your child would like to share any of these tasks with me, I'd be delighted to see their efforts.

<p align="center"><b>Spelling:</b></p> <p>You could help your child at home by using the RWI Red (Years 1 and 2) and Orange (Years 3 and 4) word lists and the spelling pattern overview. Enjoy learning them in a variety of interesting ways.</p>	<p align="center"><b>Times Tables:</b></p> <p>You could help your child at home by allowing them to play on TTRockstars. This will help them with their fluency of times tables.</p> <p><b>Your child knows their username and password - any problems just let me know.</b></p>	<p align="center"><b>Reading:</b></p> <p>As well as reading your reading book, you could also involve your child in other types of reading or reading in unusual places.</p> <p><b>Sharing your reading experiences with the teacher or class will gain your child a Marvellous Me badge.</b></p>	<p align="center"><b>Writing:</b></p> <p>This half term, we are writing 'Instructions' in Literacy. You could discuss and follow different types of instructions with your child. They could write their own set of instructions for something that interests them.</p>	<p align="center"><b>Mental Maths:</b></p> <p>You could use their Schofield and Sims Mental Arithmetic book to enhance their mental arithmetic fluency and mathematical language.</p>
<p align="center"><b>Project:</b></p> <p>You could help your child at home by visiting the library and allowing them to research more about the human body as this is what we are looking at as part of our project this term.</p>	<p align="center"><b>Project:</b></p> <p>Last half term, we learnt about healthy eating. You could help your child keep a food diary so they can look to see if they are eating a balanced diet.</p>	<p align="center"><b>Project:</b></p> <p>This half term, we are learning about designing, making and evaluating a healthy snack. You could help your child to design and make a healthy meal for the family. They could go to the supermarket with you to buy the ingredients and learn about money.</p>	<p align="center"><b>Project:</b></p> <p>This term, we have been learning about having a healthy lifestyle. You could find a time to have a moment of peace and relaxation with your child; and to take notice of the beautiful things around us. Or you could enjoy some physical exercise together with your child.</p>	<p align="center"><b>ICT:</b></p> <p>You could help your child to develop their touch-typing skills by accessing their account on <a href="https://northrigton.typingclub.com/">https://northrigton.typingclub.com/</a></p> <p><b>Your child knows their username and password - any problems just let me know.</b></p>
